

## **Final Report**

### **MASTER PLAN FOR FORESTRY DEVELOPMENT**

#### **EXECUTIVE SUMMARY**

##### **Introduction**

##### **Goals and Objectives**

##### **Strategic Visions and Targets**

Strategic Policy and Institutions Targets

Strategic Physical Targets

##### **Proposed Policy and Program Interventions**

Policy and Legislation

Programs

Programs on Institutional Development

Programs on Watersheds/Forest Management

Programs on Livelihood and Poverty Eradication

Programs on Forest-Based Industries Development

##### **Budgetary Requirements**

#### **MAIN REPORT**

##### **1.0 INTRODUCTION**

- The Forestry Sector (General Situations)
- The 1990 MPFD (General and objectives Provisions)
  - General goals
  - Three umbrella programs each with five component programs
  - Mandate for implementation
  - General MPFD Implementation Assessment (1990-2002)
  - Implementation mechanisms
  - General accomplishments
  - General program impacts
  - Issues and constraints

##### **2.0 SUBSECTORAL ASSESSMENT**

- Watershed
- Natural Forest Management
  - Dipterocarp
  - Pine Forests
  - Mangrove Forests
- Plantations
- Protected-Area System
- Pasture and grazing land Management
- Urban Forestry
- Community Based Forest Management

- Information, Education, Extension and Training
- Communication, Monitoring and Evaluation
- Forest Based-Industries/Forest Products Utilization
- Policy and Institutions

### **3.0 SCENARIOS FOR THE SECTOR**

- Introduction
  - Outlook for the Sector
  - The Integrated Wood Balance Model
- Strategic Visions, Objectives and Targets
  - Strategic Policy and Institutions Targets
  - Strategic Physical Targets
- Proposed Policy and Program Interventions
  - Policy and Legislation
  - Strategic Programs
    - Programs on Watersheds/Forest Management
    - Programs on Livelihood and Poverty Eradication
    - Programs on Forest-Based Industries Development
    - Programs on institutional development

### **6.0 INTEGRATED SECTORAL PLAN OF REVISED MPFD**

#### **- Policy and Legislation**

#### **- Programs on Watersheds and Forest Management**

- Watershed Management
- Natural Forest Management
- Grazing and Pastureland Management
- Protected Area Management
- Forest Protection
- Urban Forestry

#### **- Programs on Livelihood and Poverty Eradication**

- CBFM
- Forest Plantations
- Sustainable Management of Residual Dipterocarp Forests

#### **- Programs on Forest-Based Industries Development**

- Rationalization/Restructuring/Retooling
- New technologies in forest utilization
- Improvement of Infrastructures
- Establishment of community-based Industries
- Establishment of a Forest Industries Board

#### **- Programs on Institutions Development**

- Institutional development and reforms
- Linkaging, Interagency Cooperation, Stakeholders participation
- Research and development

- IEC and Training
- M & E and Communications

**- Support Programs (cross cutting strategies)**

- Forest Boundary delineation (permanent forest estates)
- Delineation of production and protection forests
- Forest Resource Assessment
- Forest resource accounting
- MIS/data standardization
- C & I, Certification

**7.0 REVISED MASTER PLAN IMPLEMENTATION**

- Strategic focus
- Institutional arrangements
- Financing programs
- MPFD Sustainability
- MPFD Comprehensive Schedule of Implementation
- MPFD Implementation M & E
- MPFD Review and Revision

**8.0 BUDGETARY REQUIREMENTS**
